1 of the complex nature of the case and the number of disputed terms construed in the Special
2 Master's Order, the parties agree, stipulate to, and propose to the Court the following
3 deadlines and page limits for briefing those matters: (a) each side may file objections and/or
4 a motion to modify and/or adopt the Special Master's Order that does not exceed a total of
5 20 pages, on August 19, 2013; (b) each side may file a responsive brief that does not exceed
6 20 pages, on September 6, 2013; and (c) neither party will file a reply brief and, accordingly,
7 the matter will be deemed fully submitted for decision by the Court on September 6, 2013.

8 To the extent that the parties' stipulated proposal is subject to the deadlines and page
9 limits set forth in Local Civil Rule 7(d) and (e), the parties believe that there is good cause to
10 vary those deadlines and to exceed those page limits in accordance with Local Rule 7(f).

11 WHEREFORE, the parties respectfully request that this Court issue an order
12 endorsing the above stipulation for the reasons stated.
